MRS. LANGTRY'S HAIR PRODUCER.

The public has very justly lost confidence in the many hair restorers advertised, most of which are not only useless, but positively injurious to the hair. One of the greatest physicians has devoted his lifetime to the study of the skin and the hair, and the receipt, from which this producer is prepared, is therefore the best that medical science has discovered. Many ladies and gentlemen in the upper circles of society, who were previously partially bald, owe the beauty and luxuriance of their hair to the use of this preparation. A few applications will stop the hair falling off, and continuous use will produce, within a reasonable period, rich and beautiful hair in abundance. It will also infallibly restore grey hair to its original colour.  
Mrs. LANGTRY'S HAIR PRODUCER can be obtained from all Chemists and Perfumers, price 3s. 6d. per bottle, or direct from the Depot, 330, High Holborn, London, W.C. Post Office Orders to be made payable to
